WHAT I HAVE BEEN UP TO

I cannot believe we are already in March. January seems to have 100 days but February seems to have 5! I have enjoyed some downtime after a very busy Christmas season. Christmas as Mayor is my favourite time of year and I like to attend as many events as I can. I attended the Christmas light switch on at all three centres and my gosh, you did us proud. The sheer volume of people at all of the events was spectacular!

I got to go around all of Madeley, Woodside & Sutton Hill on a float with Father Christmas which was just magical!

The start of 2024 has been getting back into meetings and my Mayor surgery. It is a little tradition of me and my Husband to have breakfast together in the Anstice Cafe before my surgery starts in the library.

ANNOUNCEMENT

It is nearly time for the second ever Mayor's Community Awards. This event was created to give thanks to the many people in our community who do amazing things. The nominations are in so and I am so excited to see who has been nominated. Last year's event was brilliant.

Please see MTC's Facebook page for the date/time of the event. I hope to see you there.

If you would like to sign up, contact alison@madeleytowncouncil.gov.uk for a copy of the pledge and once returned you will get a window sticker for your business.

Welcome to Madeley

Big Street Little Feet

We're delighted to welcome Big Street Little Feet to Madeley. The Telford & Wrekin Council have helped this new children's role play centre open at 2 Anstice Square with a business start-up grant through Pride in Our High Street programme. The centre is for children of all ages and will bring their imagination to life within fun learning and play areas throughout the three storey building. Facilities include a specifically designed baby room with soft furnishings and treasure baskets and two adjoining sensory rooms kitted out with sensory equipment. We wish owners Leanne and Nicole Bayton all the best with their new high street venture.

CROWN PRINT & DESIGN

Telford printing business Crown Print & Design is looking forward to a new high street journey after relocating to Madeley. The Telford & Wrekin Council have supported the business with a start-up grant through Pride in Our High Street programme – enabling it to re-launch at Madeley Shopping Malls on Madeley High Street. The business offers a wide range of printed products and gifts such as business cards, uniforms, leaflets, signs, and many more. It also specialises in graphic design, company brand design, photography, web design and property and vehicle signage. We wish owner Dumitru Savu all the best with the move and encourage people to pop in and see what the business offers.

GOODLYF BARBERS

We would like to welcome another new business to Madeley High Street, Goodlyf barbers, who have been working hard and putting in a lot of time and effort to make their barbers stand out from the crowd. A walk in service and appointments are available, contact Goodlyfbarbers@hotmail.com.

Our Community...

Welcome to

Twiggys Day Nursery has three sites across the Telford area, and we are proud to announce that our Madeley site, based on the John Fletcher Primary School, has recently been renovated to incorporate a beautiful, warm and cozy baby room and a playful, homely toddler room.

We have a dedicated safe space for babies from as young as 3 months old where they can explore all the treasure baskets and soft play area's before taking a well-earned nap in the sleeping area.

The toddlers have space to create and use their wild imaginations to develop play ideas and build lasting friendships which will carry them through their nursery days.

The staff are always on hand to give warm hugs and to help extend your child's vocabulary and learning through a variety of child and adult led activities throughout the day. We have a large outdoor space and even have access to forest school!.

The staff have many years of experience between them and it's like leaving your child with one of the family. The staff are very well trained in caring for and safeguarding your children whilst in our setting and through discussions with you as parents, they provide a tailored plan of learning to ensure your child feels a sense of achievement, no matter what their age or stage of learning may be.

The children have nutritious, healthy meals cooked on the school site and you will also have the ability to monitor your child's daily activities through our electronic app to read what your child has been up to.

The new and exciting Government Funding Scheme will bring much relief to parents with the financial pressures of rising Nursery costs. Funding is being implemented stage by stage so register now.

Go to www.chilcarechoices.gov.uk to see what you may be eligible for. The site is taking applications now for two year old 15 hours funding.

Coming soon will be funding for 9 month olds as of Sept 24 and then by Sept 2025, funding for all working parents from 9 months through to school age.

Call us on 01952 270062 or email: madeley@twiggysdaynursery.co.uk to start your child's journey into education. Let the fun begin!

Madeley Town Council is pleased to announce that Madeley once again has its own branch of the Royal British Legion.

Realising there was a local desire to bring back the branch, the Town Council has worked alongside previous members, and the local community, to re-establish our own Royal British Legion.

The new committee was agreed at their AGM in mid-January, and they are delighted to share that Madeley Cricket Club will be the home of the RBL.

The branch is set to meet every two months and they hope to quickly become an integral community organisation in Madeley and the surrounding area.

Alison Hinks, Madeley Town Clerk, said: "We couldn't be more pleased to have helped bring the Royal British Legion back. It's such an important charitable organisation, not only nationally, but right to the doorsteps of the local community that they will be able to help. We look forward to working alongside the branch, who are as keen to support us with our community events as we are with theirs."

This is great news for the Madeley Community and we want to congratulate them and wish them luck as they work to grow the branch and the Royal British Legion following over the coming months and years."

New members are now welcome to join the branch, and members who moved to other branches can transfer back to Madeley branch if they wish to.

If you wish to find out more join their Facebook page "RBL Madeley Telford". Alternatively, while they are finalising their contact information, speak to Charlotte at Madeley Town Council on 01952 567288 or email charlotte@madeleytowncouncil.gov.uk

Children and staff at Halesfield Day Nursery celebrated a big milestone recently. Last month the nursery partied hard for its 35th Birthday.

Children marked the occasion with a visit from The Farm on Wheels where they got to meet lots of animals including lambs, a goat and some chickens.

The children and staff were also treated to a party day, with lots of fun games, a disco and a buffet lunch with a very big birthday cake to celebrate. The children also made a time capsule to be hidden in the nursery for future generations to discover and they planted a pear tree at Madeley orchard to share their achievement with the community.

Helen Childs, nursery manager said "We feel very privileged to have been open for so long, times have been tough, but the nursery has pulled through them and is currently thriving. It's amazing to think that some of our staff have worked at nursery since the day we opened, like Sharon and Donna in the picture opposite. Most of the staff team have between 10-20 years of service under their belt at Halesfield, so we consider ourselves to have a well-established and very importantly a happy team.

We felt it was necessary to celebrate such an important milestone with our staff and children and we had a lovely day having lots of fun. A huge thank you must be said to parents, children and staff past and present for helping our nursery grow and being part of our community".

Ironbridge Rotary Club

Club members were out and about during the Christmas period. We continued our regular donations to Telford Crisis Support, making a delivery of special Christmas goodies to supplement our usual donations of store cupboard essentials. We helped organise the Telford Tree of Light, in conjunction with the other three Rotary Clubs of Telford, which enables people to remember a loved one at Christmas with a light on the Christmas tree

We offered our regular Christmas present wrapping service at Telford Centre, with proceeds also donated to Telford in Crisis.

We will be in Tesco in February collecting for Blood Bikes, hoping to have a machine in attendance. We will also be supporting the celebration of Madeley High Street in June – look out for us with our “Human Fruit Machine”.

Our Community...

Madeley Baptist Church has been pleased to continue its work in the community over the winter period.

'Friendly Faces' starts the week off every Monday afternoon at the Park Lane Centre from 1.00pm to 3.00pm. This friendly meeting was set up after Covid to allow those in the community to get out again and enjoy a time of fellowship, chat and relaxation. Open to everyone. Come and try it.

For the second winter running on Tuesdays and Thursdays our 'Winter Warmers' have been increasingly popular running from 10.00am to 2.00pm. Breakfasts of cereal and toast are provided followed by copious cups of tea and coffee served by a merry band of volunteers. The highlight is the three-course lunch or just soup and a roll if you wish. The fellowship and chat are great and we are indebted for the support and advice provided by Maninplace and the local PCSOs, and in particular the financial support provided by Madeley

Town Council, without which the sessions would not be viable. Numbers have reached up to 50 on occasions but there is still plenty of room. Everyone is most welcome, especially those needing food, heat and fellowship. The regular sessions will continue until the end of March when they will revert to the popular coffee mornings.

On the first and third Tuesday evenings in the month we run a Causeway Group for Adults with Learning Difficulties. These commence at 6.45pm and run to 8.15pm and provide a variety of activities including craft, games and quizzes which the regular attendees really enjoy. This Group has been running since 2007 and provides a much-needed amenity in the area. Again, just come along and try it out.

Woodlands Primary School's visit to Bennett House Residential Home

This academic year, Woodlands have been fortunate enough to be invited to visit Bennett House Residential Home, Woodside.

The first visit was for some of Woodlands' Y6 pupils to read with residents. The children took a range of books, fiction and non-fiction, but the non-fiction were a firm favourite and inspired conversations, especially a book about the late Queen Elizabeth.

Our next visit is planned for the end of the month and both residents and children are very much looking forward to it.

Our second visit was for the older members of Woodlands' Choir to sing Christmas songs to the residents, sporting Christmas accessories. Some songs were chosen for the children to perform and others were chosen with the hope that the residents might join in – and they certainly did!

Our next visit is planned for the summer term and, again, both residents and children are very much looking forward to it.

Woodlands' Trip to Arthog – January 2024

During January, thirty-one Y6 students from Woodlands Primary visited Arthog Outdoor Education Centre, Wales, for a week residential. Upon arrival, the children were blown away by the stunning views over Fairbourne, Barmouth and the estuary that separates the two.

To begin the week, the children took part in team building games, with their group, to form strong relationships ahead of the other activities.

Arthog is such a great experience and has been for more than sixty years. We are so pleased Telford & Wrekin continue to value it and the professional expertise that goes with it.

The experiences the children had are invaluable and would be tricky to replicate without being based at such a fantastic setting.

We are already looking forward to visiting again next year!

Exciting changes at local Community Centre

Hub on the Hill Community Centre in Sutton Hill has recently been taken over by Madeley Town Council after the Charity running the building decided to step down. Existing groups that use the facilities will continue to be supported, the community café will remain open and the Hub will still be a safe space for local residents to visit and get support if needed.

However, in order to keep the building open long term it requires significant funding to make essential renovations. This will ensure the building becomes sustainable for the long-term benefit of the local community.

There is the opportunity to apply for funding to complete these works through the Community Ownership Fund.

Madeley Town Council is currently working with Telford & Wrekin Council to put in an application and as part of this we want to engage with local residents and partners to gain feedback on

what you think about the facility. Your feedback will be used to help inform the application and support any decision making about its future use. It will be really helpful to get as many comments as possible as this will enable us to demonstrate to funders the importance of the Hub on the Hill for the community of Sutton Hill.

Looking after the environment

Friends of Rough Park

Rough Park is our local nature Reserve - an open green space for all the family to enjoy!

Spring is just around the corner and despite the battering of more winter storms than usual the park is waking up. The next few weeks will see buds bursting through and the sound of insects will fill the air - sit on a bench, look and listen - you'll be surprised how many animals and birds are around getting ready for Spring!

The Friends of Rough Park hope to preserve and encourage our local flowers and wildlife. Our species-rich meadow is rare, recording wild orchid numbers each year is an indicator of health and diversity and you can get involved by joining us for our 'Great Orchid Count' in early Summer - date to be confirmed.

You are welcome to join us for our monthly coffee and chat meetings in Anstice Library 10-11am on the last Tuesday of the month to talk about ideas and share stories about our local environment and how we might make a difference.

Check on our New Friends of Rough Park Instagram and Facebook pages for more info or email: info@madeleytowncouncil.gov.uk

Madeley, Sutton Hill and Woodside Community Action Teams

It's been a busy time Legges Way to Coalport Rd Footbridge,

Team cleared all overgrown vegetation from the footbridge and steps after I discovered it hadn't been maintained for quite some time.

Park Avenue to Church Street footpath (side of Tesco)

Team cleared excessive leaf fall along footpath as it was becoming extremely slippery under foot for pedestrians

Smallwood

Ivy removed from wall as it was encroaching into the footpath narrowing access to residents

Stonedale

Overgrown shrub bed cleared and tidied, because of constantly being used as a fly tipping area. And will now make it easier to maintain.

PARK LANE CENTRE

New initiative to support gardeners

As part of our ongoing commitment to reducing our carbon footprint, Park Lane Centre swapped our heating and hot water system across to a biomass system a few years ago. This reduces our use of fossil fuels by using renewable energy and as a result we generate ash waste.

This makes an excellent nutrient for gardens or to add into compost to enrich it. It is a natural source of potassium which helps flowers and fruit to form and can help reduce the acidity of soil. We are therefore delighted to now be able to offer 'free' ash waste to centre users and local residents. This is thanks to receiving an EnviroGrant from Veolia and Telford and Wrekin Council.

We have purchased 2 large ash storage containers which will be sited by the biomass pod at the back of the building. Anyone wishing to, can help themselves to a ready filled bag and take it away. We hope that local gardeners and allotment holders will find this both practical and beneficial!

It seems a long time since the Christmas rush. The community certainly kept us busy, which is great, exactly what we want. The pantomime being the main attraction followed swiftly by the two Christmas parties for the seniors of our community which are always very well attended. A great time had by all.

We have lots to look forward to in 2024. We now have two youth clubs up and running every Tuesday evening, term time. The juniors club is on from 5 till 6:30 PM in the ballroom and the senior youth club is on from 7 till 8:30pm downstairs in the cafe and Kemberton room. If you know of any children that would like to come and join us at any of the clubs please pop into the Anstice for more information. Keeping on the youth club note, we would just like to say a big Thank-you to June Campbell the secretary of the Anstice trustees for securing funding from Children-In-Need for these youth clubs to continue they are a fantastic asset to the community and much needed.

Not only do we have fabulous classes that run weekly for all different ages and abilities, but we also have lots of fantastic shows and events planned for 2024.

We are doing our first Mother's Day afternoon tea this year on Saturday 9th March, not the Sunday. We have the one and only Mr Kevin Thursfield serenading to you all, tickets available from the Anstice office. Also, our FREE monthly films are back the first Wednesday of every month, 2 pm till 4pm, no need to book just turn up.

You may have noticed scaffolding at the front of The Anstice. A Telford & Wrekin Council Place Plan grant is funding the removal of the grey paint from the front of the building to show the original stone around the windows and doors. Thank you to Madeley Town Council for organising this and there will be more updated in the next edition of Madeley Matters.

NOT JUST BOOKS!

Madeley Town Council is putting the 'community' into Madeley Community Library

Madeley Community Library is fast growing into a fantastic community space. Madeley Town Council took on running the library, which is located in the stunning Grade II listed building The Anstice, during 2023. Not content with it just being a space for people to check books in and out and provide a service for concessionary travel and blue badge applications, Madeley Town Council's vision is to make the library a true community and wellbeing hub.

Libraries are for everyone and as such, the Town Council wants to use the space to provide information on a more local level to residents. They want people to find it easier to access services and advice, have a relaxing, welcoming space to come and spend time, and provide opportunities for people to meet others socially.

Over the last year Madeley Town Council has been building up their programme of drop-in sessions to include Healthy Lifestyles, Learn Telford, Age UK, Healthwatch, blood pressure checks, energy advice, councillor surgeries and more.

Do you run a service or group that could help to improve the wellbeing of our community?

Could you spare a couple of hours once a month, or perhaps just for a one-off, to visit the library and talk about what you do with the people who use our space? You could be the difference that someone needs to make just a small change, or you could potentially change their lives.

Madeley Town Council would love to hear from services or groups offering any of the following: legal advice, cost of living help and energy saving initiatives, education and skills, employment advice, craft activities, social groups and exercise classes, disability groups, charitable organisations ... and more.

If you think you can help, or would like to chat about a potential drop-in, contact Charlotte by email at charlotte@madeleytowncouncil.gov.uk or call her on 01952 567288.

Hearing Loss Support Hubs

Hearing Loss Support Hubs are ran by trained volunteers who are able to carry out minor repairs and replace batteries in hearing aids provided specifically by the Audiology department within Shrewsbury and Telford Hospital NHS Trust. From Thursday 14th March Madeley Community Library will host a new monthly support hub to reduce the need to travel to the audiology department for these services.

The Hearing Loss Support Hubs will take place on the second Thursday of each month. The Hubs will be appointment based, and these can be booked in advance by calling 01743 342168 or emailing SHLS@community-resource.org.uk.

This is a wonderful addition to the drop-ins that we hold in the library to help the community access help and advice more locally.

Let's talk...

We're incredibly grateful to be welcoming Angela from Mbrace to a number of our Let's talk...menopause get togethers throughout this year. Angela is passionate about menopause and perimenopause and has a wealth of information to share in a relaxed and fun way. In January, Angela joined us for the first time to speak about pelvic health and our pelvic floor, leading to a number of the group going forward to seek further medical help and advice that they otherwise wouldn't have known to do.

Angela will be chatting about a number of subjects, and will be joining us once again in March and then every other month for the rest of 2024. As always, everyone is welcome to join the group, whether you want to chat, listen, or simply enjoy the tea or coffee.

We meet at the Park Lane Centre in Woodside from 7-8pm and our next chat will take place on Monday 11th March.
